6. All tenders must specify the rates at which the articles can be supplied in pound weight or in ounce per rupee as the case may be. Milk and similar articles in fluid ounce, gallons or imperial pints per rupee, in columns 1, 2, 3, 4 and 5 of the prescribed form of tender.

7. The quantities stated in the annexed list are not guaranteed.

8. The District Medical Officer reserves to himself the right of rejecting any tender without assigning any reason for so doing.

9. The deposit of the successful competitor will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 200 in cash or Government bond within three days from the date of acceptance of the contract being made known to him. The form of contract bond will be supplied by the District Medical Officer.

10. No advance of cash will be made to the contractor. Payment for the articles supplied will be made by the District Medical Officer as soon as possible, before the 31st or close of each month on producing the necessary accounts and vouchers, with a bill in English or Kanarese for the cost of all articles correctly calculated. Persons who are unable to do this need not compete.

11. A store-room will be made over to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must be always in store. Perishable articles such as vegetables, meat, tyre, etc., must be at the Civil Hospital, by 8 A.M., daily. All articles except those mentioned otherwise should be of the first sort, and any article of diet rejected should be replaced within an hour. The contingent articles, such as bazaar medicines, etc., ordered should be supplied within two hours after receipt of order.
